

The ACC has 30 days in which to notify the Homeowner of their decision. Work should not be undertaken until this is done. Work undertaken prior to ACC decision will be disapproved.

Compton Green Homeowners Association: Project Review

ARCHITECTURAL CONTROL COMMITTEE

Date Received: _____

Homeowner: _____

Lot Number: _____ Address: _____

Description of Project:

All properties require prior ACC approval for tree removal of all trees (dead or alive) greater than 8” diameter at 4’. Additionally, for tree removal on R-1 properties, a city permit is required for living trees of a diameter of 8” at 4 feet above ground. Properties require prior ACC approval as well as city approval for fencing, deck revisions, driveway changes, remodels changing the footprint of the house.

ACC normally arranges a visit to any lot before approval/disapproval is determined.
